**SUB: TO GIVE OVERRIDING PRIORITY TO CO-OPERATIVE IRRIGATION MANDLI / SOCIETY.**

Ref: GUVNL/RE/Overriding Priority/500 Dated 3/08/2006

On receiving representation from various authority and public representative about reconsider the decision regarding not to give overriding Priority to Co-Operative Society given vide above letter, Matter was put in to Apex committee meeting on 22/11/06 and it was decided to authorize CE/ MD, of respective Discoms to give overriding priority to registered AG. Co-operative societies in non dark Zone area only subject to following conditions.

- 1) Registered Co-operative Societies in Tribal area will get priority only.
- 2) IN non Tribal area priority will be given only to Registered Co-operative Societies if they adopt Micro Irrigation System (MIS) through GARC.
- 3) Allow to connect such connection on Ag dominant feeders only.
- 4) Apply all norms of Tatkal for issue of estimate and application of tariff.
- 5) Before issuing the estimate technical feasibility should taken in to consideration.
- 6) Annual target for overriding priority to registered co-operative society will be 50 Nos.(Fifty) for each Discom, so registration may be done in consultation with respective Corporate office.
- 7) The monthly progress report may be intimated to us in attached proforma with RE MIS.
