**CIRCULAR****No.MGVCL/FS/4THQtr/15-16/ 181****Date: 4.5.2016**

Sub: Rate of Fuel Price and Power Purchase Adjustment Charges (Fuel Surcharge) applicable on the consumption for the month of Apr 2016 to June 2016 till further instructions.

This has reference to our earlier letter dtd. 04.02.2016 intimating to charge Fuel Surcharge @ Rs. 1.35/Unit from all categories of consumers excluding Agriculture consumers from Jan 2016 and onward till further communication in this regard.

Hon'ble GERC through Order dated 29.10.2013 has revised formula for computation of Fuel and Power Purchase Price Adjustment (FPPPA-Fuel Surcharge). As per the formula, Hon'ble GERC has allowed to recover FPPPA charges based on incremental average per Unit power purchase cost (including transmission, GUVNL and SLDC cost) over average per Unit cost approved for the base year. Further, GERC has also shifted the base year from FY 2009-10 to 2012-13 for FPPPA calculation. While shifting the base, GERC has considered base FPPPA Rs. 1.20/Unit. Moreover, Hon'ble GERC through Tariff Orders dated 31.03.2015, has considered base Power Purchase Cost Rs. 3.76/Unit.

GUVNL has worked out incremental FPPPA @ Rs. 0.18 / Unit for 4th Quarter of FY 2015-16. Total FPPPA for the quarter works out to Rs. 1.53/Unit (Rs 1.20/Unit base FPPPA plus 0.33/Unit additional expenditure of Q4) as against FPPPA of Rs 1.35/unit for 3rd Quarter.

However, in order to avoid sudden increase in tariff of the consumers, it is decided to pass on 50% of incremental FPPPA i.e. Rs 0.09/Unit totaling to Rs. 1.44/Unit (Rs. 1.35+Rs. 0.09) to the consumers from April 2016 onwards and balance FPPPA shall be considered in ensuing quarter(s).

You are therefore requested to kindly charge FPPPA at Rs. 1.44/Unit for the period Apr 2016 to June 2016 and till further communication from all categories of consumers excluding Agriculture consumers since Government of Gujarat is giving subsidy to Discoms for Agricultural consumption.
