The complaint dated 19.10.2016 regarding issue of differential bill for crossing of their contract demand.

- 1.0 On 18.11.2016, the case of the Complainant Grievance was heard before Consumer Grievance Redressal Forum wherein Shri Govindsinh Chauhan, appeared on behalf of M/s. Adarsh Rice Mill, Plot No.41 & 42, GIDC Kansari, at Khambhat, Dist: Anand whereas Shri K.R. Soni, Executive Engineer(O&M), MGVCL, Petlad Division, appeared as respondent on behalf of MGVCL before the Forum. Both the parties were heard.

The brief details of the case are as under:

- 1.1 The complainant Shri Govindsinh Chauhan, that he was issued an additional bill for excess MD than contract demand of Rs. 1,78,142.58. CRC has issued an order stating that, the bill issued to him was in order in accordance to the provisions made in Supply Code 3.2 and 4.95 & 9.17. The party was not satisfied with the CRC order and approached to CGRF on dtd.19/10/2016. The party was called by CGRF at Anand Circle on 18/11/2016 to represent his case.

- 1.2 The representative of the complainant contended that he is occupied in running the business of rice mill which is of seasonal nature, at first instance, he agreed to the bill issued by them which were as per the provision of GERC, but he pled that he has not received the notices in time otherwise he could have paid the same. Now looking to the constraint seasonal business and financial constraints, they may not be able to pay the same, so they appeared before the CGRF to consider their case and to

obtain appropriate decision in the matter. They have agreed that in the financial year 2014-16 & 2015-16 due to some error at their Factory end, the demand might have crossed for which they have been issued a bill, but the necessary relief may be given to them.

2.0 The Respondent Shri K.R. Soni, Executive Engineer (O&M), MGVCL, Petlad Division, contend that, relevant documents to the party were submitted to them, however, it was again shown all relevant documents to the consumer. Wherein it was observed that, time to time notices were issued to them regarding event of crossing the demand occurred. It was also explained that the bill was in line with Supply Code 3.2, 4.95 & 9.17.

2.1 So as stated in the above para, the notices served regarding crossing of maximum demand beyond 5% of contract demand. Hence, the events stated below occurred in a Year 2015-16 along with the notices issued as per 9.17 Clause.

Sr. No.	Month	Max. demand	Notice served
1	Aug 2015	107	Cby/Billing/2283 dtd.06.01.2016
2	Jan. 2016	111	Cby/Billing/384 dtd.27.01.2016
3	Feb. 2016	111	Cby/Billing/1109 dtd.08.03.2016
4	March 2016	109	Cby/Billing/1538 dtd.31.03.2016

So as per GERC tariff order by grossing of 9.55% losses of the differential amount of bill was served of Rs.1,78,142.58 vide Letter No.4116 dtd.06/08/2016 by Cambay City.

3.0 The Forum Members present at the hearing considered contention of both the parties and perused the records, it was then observed and recorded that party's has crossed maximum demand for 4-times in a Year and the bill was issued accordingly. It is observed that the bill issued to the party is in order as per the directives of GERC supply.

Supply Code 3.2 which reads in abstract as " for installation with Contract Demand exceeding 100 KVA/kW and upto 4000 kVA/kW" system of supply should be "11 KV" & 22 KV 3 Phase, further in case of existing consumer drawing power at lower voltage, if due to additional requirement, they cross threshold limit of load, in such cases the licensee may, as far as possible, make commercially viable offer to the consumers so that he opts for the next higher voltage of supply viz. likely reduction in transmission and distribution losses, load reduction on transformers of licensee's system and their availability of meeting new requirement.

Similarly clause 4.95 reads in abstract as in case of HT, EHT & demand bases LT connection, if the maximum demand was recorded to be in excess of contract demand by 5% or more for at least four times during last

financial year, the licensee shall issue a 30- day notice to the consumer for submitting an application form for enhancement of load. If there is no response from the consumer by the end of the notice period, the licensee shall start the procedure for enhancing the consumer's contract demand to the average of four recordings of maximum demand shown by the consumers MDI meter in the last financial year. ***In such case, the consumer shall be liable to pay all applicable charges as per provisions of this Code*** which restricts the percentage event & violation of 9.17 issue of Penalty bill, are observed by the MGVL.

Similarly, Clause 9.17 reads in abstract that, if nay consumer commits more than one violation in the same service connection, each violation shall be dealt separately. ***The penalty shall be levied separately for each such violation, as applicable.***

- 4.0 At the time of personal hearing both the parties reiterated their contention which was already submitted in their written statement. In view of the above, & discussion thereon, the Forum is of the opinion that the additional bill issued to the party M/s. Adarsh Rice Mill, Plot No.41 & 42, GIDC, Kansari at Khambhat, Dist: Anand is in order and as per the line of the Supply Code No.3.2, 4.95 & 9.17 as described above.
