The complaint dated Nil (received on 17.08.2013) regarding high amount of energy bill.

On 13.09.2013, the case of the Complainant Grievance was heard before Consumer Grievance Redressal Forum wherein Rehman Nathubhai Soni, appeared himself, whereas Shri D R Shah, Deputy Engineer Kawant s/dn appeared as respondent on behalf of MGVCL before the Forum. Both the parties were heard.

The brief details of the case are :

1. The connection was released under BPL category since long but bills were not issued till Feb March 2013 billed in April 2013.
2. The accumulated energy bill to the tune of more than Rs.12,000/-
3. The consumer unable to pay such huge amount being poor BPL consumer, requested to give relief in the energy bills.

The complainant contended that since connection is released they have not received any bill to pay amount till first bill served in April 2013. Numbers of time, they have personally requested to MGVCL office but no one has taken care to issue energy bill timely. Such huge amount is beyond capacity of their earning. They do not have proof for the exact date of connection released or documents. At present, the power is disconnected by MGVCL.

The respondent contended that this is a accumulated energy consumption since the date of release of connection. There is no detail available for the date of connection released including meter issuing date. Therefore, it is very difficult to

decide the length of time left out for the billing. He presumes period of installation about two years back.

The Forum Members present at the hearing considered contention of both the parties and perused the records and observed that as date of installation of meter and release of connection is not available, it is difficult to count monthly / bimonthly consumption pattern. Considering the statement of respondent and category of the consumer, consumption recorded is too high beyond the normal consumption of their installation having only one fan and two bulbs.

Considering energy consumption recorded in meter as accumulated units, the Forum has suggested the consumer to pay bill in instalments considering their capacity of payment. After mutual discussion, the Forum agreed to consider to recover dues in installments within a period of two years (i.e. 12 bimonthly cycle).

ORDER
