M/s. Omega Electricals has been represented on dated 12.02.2025, regarding oversight in bid submission which resulted in the interchanging the values of 34 mm2 AAA Weasel Conductor & 55 mm2 AAA Rabbit Conductor at the final stage of bid and M/s. Omega Electricals requested to consider and to accept corrected rates as under:

TABLE - A

Description of Material	Quoted Rate (Mistaken)		Corrected Rate	
	Offered Quantity	Unit Ex Works price in Rs.	Offered Quantity	Unit Ex Works price in Rs.

As per Tender terms and condition clause no. 42 of Schedule-A, "Bidders are requested to submit price – bid (Schedule – B) on-line only and not to submit the price bid in physical form. M/s. Omega Electricals has submitted letter on dated 19.02.25 in which they states that, the quantities accidentally swapped during the price bid submission.

As per tender terms and condition clause no. 11, Bidders are requested to ensure that quantity offered details in on-line

EMD form; Annexure-4 (on-line) of Commercial Terms and Condition and in Price bid (on-line) should be same. In case of any discrepancy, quantity offered in Annexure-4 shall be considered as final quoted quantity.

So, the request of M/s. Omega Electricals for change of offer rates and change in quoted quantity is not accepted by MGVCCL, same was inform to M/s. Omega Electricals vide letter at ref. 9 dated 17.03.25 and MGVCCL has placed MLOA for supply of 900 KM **34 mm² AAAC Weasel Conductor and 3000 KM 55mm² AAAC Rabbit Conductor as per their offered quantity of AAA Conductor vide letter under Ref-11. And MGVCCL has placed LOA for supply of 458 KM 55mm² AAAC Rabbit Conductor as per their offered quantity of AAA Conductor vide letter under Ref-12 at the quoted rate of unit end cost with GST as per tender terms and condition since M/s. Omega Electricals was L-1 Regular bidder.**

Against this office MLOA and LOA, M/s. Omega Electricals have submitted reply vide letter under ref.13 & 14 to MGVCCL that, "if the quantities in the Annexure-4 are to be considered final, then the rates for those quantities to be taken from the "Corrected Rate" column in the above mentioned table - A. If this consideration is not acceptable, M/S Omega Electricals regret to inform that they will not be able to proceed any further.

Letter for regret of same was issued to M/s. Omega Electricals vide letter at ref. 15 dated 19.06.25

M/s. Omega Electricals have again submitted letter on dated 23.06.2025 and state that, they fully accept that a mistake has occurred and requested not to penalize them to such an extent.

MGVCCL has issued 03 notices on dated 26.06.2025, 11.07.2025 and 22.07.2025 vide letter under ref.17 to 19 to submit Security Deposit and execute agreement as per LOA issued by MGVCCL, to supply 55 mm² AAA Conductor and supply the same material as per LOA.

M/s. Omega Electricals replied and requested against third notice on dated 24.07.2025 that, this tender may kindly be reconsidered for withdrawal without imposing any penalty or token penalty.

The rate quoted by M/s. Omega Electricals has also affected the tender finalization process of all DISCOM being a CPP Tender and resulting into shortage of such critical item in all DISCOMs and M/s. Omega Electrical act has vitiated the whole tendering process of all DISCOMs. The MGVCCL had ultimately scraped the tender for **55mm² AAAC Rabbit Conductor and once again re-tendering for purchase of 55mm² AAAC Rabbit Conductor for all DISCOMs.**

MGVCCL had issued show-cause notice vide letter under ref. 20 dated 29.07.25 and ask for show-cause regarding why the stern action like forfeiture of EMD, Stop deal/banning of business dealing/blacklisting should not be taken against M/s. Omega Electricals as per LOA.

Against show-cause notice, **M/s.** Omega Electricals have submitted representation and requested for personal hearing. The reply of **M/s.** Omega Electricals against show-cause notice is not satisfactory and not acceptable by MGVCCL.

MGVCCL also called **M/s.** Omega Electricals for personal hearing on dated 30.08.25 at M.D. Office, MGVCCL, 3rd Floor, Sardar Patel Vidyut Bhavan, Race Course, Vadodara. The stand of **M/s.** Omega Electricals is again same i.e. it is mistake on their part.

The reply and representation of **M/s.** Omega Electricals against this office notices and during personal hearing is not satisfactory and not accepted by MGVCCL.

M/s. Omega Electricals has misled the whole tendering process of the MGVCCL as well as all DISCOM and not accepting MLO/LOA for supply of AAA Conductor create shortage of material which will affect the ongoing electrification works of MGVCCL as well as all DISCOMs.

Because of the conduct of M/s. Omega Electricals, the entire tender process has been vitiated and MGVCCL has to put in great inconvenience and resultantly the procurement of essential parts are delayed. M/s. Omega Electricals has taken the entire system as ride. They have made mockery of tender process and just by stating typographical error they can not escape their responsibility. The MGVCCL could have resorted to other serious consequences against M/s. Omega Electricals including procuring the goods at the risk and cost of the M/s. Omega Electricals.

As per above facts, enough chances has given to M/s. Omega Electricals including personal hearing to represent its case. It is clear that M/s. Omega Electricals have violated the tender terms and conditions as M/s. Omega Electricals had refused to accept the Letter of Acceptance of MGVCCL for supply of AAAC Conductor.

Under this circumstances, Madhya Gujarat Vij Company Limited is finally bound to take following action against your firm.

1. Stop deal to all kinds of business with M/s. Omega Electricals office address at I-9, GIDC Estate, Ganeshpur, Modasa-383315 and works address at 63, 64 GIDC Estate, Ganeshpur, Modasa -383315 along with their proprietor Mr. Jayesh Kumar S Patel – PAN No. AKMPP1294K and all the concerns of him for a period of 01 year from the date of issue of this circular.
