and copy to MGVCL Corporate Office at email address
gmfin.mgvcl@gebmail.com
cfm.mgvcl@gebmail.com
(a) Inform Mr. Modi, Divisional Manager, Mobile No. : 9427592231
Tele. No. : **0265 – 2336359 / 2312868** Fax : **0265-2314219**
e-mail : **modipv@uiic.co.in**
rdtrivedi@uiic.co.in
- 3. Arrange Local Panchnama** of the incidence of the loss to farmer's crop as early as possible. Take-out photographs to keep evidence.
- 4. Co-ordinate** with Surveyor of Insurance Company and Representative of Office of the Electrical Inspector or in his absence, representative of Division office of MGVCL to carry out detailed survey.

DETAILED STEPS TO BE TAKEN FOR LODGING THE CLAIM BY DE OF SDO:-

- 1.** Intimation of incident to be sent to Insurance Company within 48 hours of the Incident.
(1) by e-mail **(2)** by Fax **(3)** by Telephone.
- 2.** The Victim / Farmer should be informed that incidence site should be kept as it is till the inspection / survey is not carried out.
- 3.** The Deputy Engineer of Sub-Division shall have to visit the site to prepare Panchnama / Rojkam, take-out photographs to keep evidence and collect full details regarding incidence along with probable amount of loss of standing crop and then to communicate to respective Division Office, United India Insurance Company Limited and Electrical Inspector by e-mail / Fax or other mode of communication as well as phone to register the claim.
- 4. Immediately after survey, inform Victim / Farmer in writing to submit documentary evidences relating to ownership and bank details so that delay in submission of documents to Insurance Company can be avoided.**
- 5.** Detailed information Intimation to be given to Insurance company with copy of 7/12 utara with data of occurrence of incidence mentioning probable amount of loss by affected farmer or his / her representative [Convincing delay in intimation (as per point no:1) may be considered only with a proper justification, but it should not be more than 5 days].
- 6.** The Loss is to be certified by the Joint Assessing Committee consisting three persons:
 - (1) Insurance Surveyor or Insurance Company's representative
 - (2) Deputy Engineer of the Sub-Division of MGVCL
 - (3) Representative of Electrical Inspector's office of Government of Gujarat
OR representative of Division of MGVCL in absence of Representative of Electrical Inspector's office of Government of Gujarat.

7. Joint Assessing Committee will inspect the site of occurrence and arrive at quantity of loss of the crop on their observations of nearby similar undamaged crop and accordingly shall arrive at loss in amount on basis of nearest APMC declared price on the day of occurrence. This procedure shall be witnessed by renowned local representative of village or area.
8. As per Insurance policy terms, the claim shall be settled for by Insurance Company.
9. The beneficiary victim / farmer i.e. Original owner or tenant farmer (if certified by original farmer / owner) shall execute notarized undertaking on Rs.300/- stamp paper for accepting payment as full and final payment and in future, shall not file any suit / complaint before any court or forum for further any compensation on account of the incidence and same shall be submitted to the Deputy Engineer of concern sub-division office (draft for undertaking is attached herewith for ready reference)
10. Deputy Engineer of sub-division shall forward the claim proposal to The United India Insurance Company Limited, Vadodara under intimation to Division Office with the required documents as per check list.
11. Concerned Division Office has to make follow up with sub-division office as well as Insurance Company (if required), keep records for such cases & compensation paid thereof as like accident cases and report accordingly to Circle Office and in turn, circle office will submit consolidated report to Corporate Office on Quarterly basis.

CHECK LIST OF DOCUMENTS REQUIRED FOR CLAIM :

1. Claim intimation from Victim / Farmer.
2. Subsequent intimation from DE of S/Dn. to the Insurance Company.
3. Local Panchnama of the incidence of the loss to farmer's crop with photographs.
4. Joint Assessing Committee's assessment report duly signed by the committee members.
5. Ownership proof of claimant farmer
 - 7/12 record
 - or Pedhinama
 - Or other documents proving the authenticity of ownership.
6. Bank details of victim farmer for making ECS Payment
 - Copy of Cancelled Cheque
 - Or Page of Bank Pass book containing details of account number, full name of Claimant, Bank & branch name, IFSC and MICR code along with NOC of Deputy Engineer of sub-division
7. NOC of other co-owners if any in 7/12 record.
8. Notarised Consent letter (Affidavit) of victim farmer for acceptance of payment as prescribed.

- The amount of loss for the assessed quantity shall be arrived on the basis of the nearest APMC declared price on the day of loss of the burnt crop. The payable amount will be arrived at the rate of 80% of loss assessed in case of standing crops and 90% of loss assessed in case of harvested crops lying in the field, less recoverable salvage if any. The final payable amount will be reduced by 5% amount or Rs. 1000 whichever is higher as per policy terms (Excess Clause).
- This is general guideline for following the procedure for standing crop loss claim. However, in case of any dispute, terms and conditions as stated in policy (copy attached herewith) will be considered final for settlement of such claims.
