This has reference to our earlier circulars intimating to recover Additional Surcharge on actual quantum of electricity drawn from any source other than MGVCL by open access consumers.

Hon'ble GERC has decided the formula for determination of Additional Surcharge in its order dated 12.03.2014 in petition No: 1302 of 2013. Accordingly, Hon'ble GERC in its order No: 1 of 2017 dated 03.04.2017 decided the additional surcharge of Rs.0.49 per kWh for open access transaction for the period from 01.04.2017 till further communication.

In view of this, you are requested to recover additional surcharge @ Rs.0.49 per kWh on actual quantum of electricity drawn by consumer through open access transactions from 01.04.2017 till further communication. It may be noted that additional surcharge is in addition to other applicable charges such as cross subsidy surcharge, wheeling charge, wheeling loss & electricity duty etc.

All other contents of principal circular No: MGVCL/ RA&C/COM/H-I/2014-16/288 Dated: 24.3.2014 shall remain unchanged.
