Sub: Amendments in guideline of DREBP Scheme.

- Ref: 1. GUVNL's letter dtd 31.01.2025 for amendments in DREBP guidelines and PPA
2. MNRE Office Memorandum (OM) dated 09.12.2024
3. MNRE OM amending OM at ref 1, dated 28.07.2025
4. MNRE OM publishing ALMM List for Solar Cells, dated 31.07.2024
5. MNRE OM for RLMM for Wind Turbine dated 31.07.2024

Respected Sir,

In continuation to GUVNL's letter at ref (1), it is to state that vide Office Memorandums at ref (2) to (3), MNRE has mandated for applicability of Solar PV Cells and vide OM at ref (4) has published list of ALMM List II (For Solar PV Cells).

In pursuance to the aforesaid Office Memorandums of MNRE, solar projects for which PPA will be signed upto 31.08.2025 will be exempted from requirement of Solar PV Cells from ALMM List II, irrespective of date of commissioning. However, PPAs which will be signed 01.09.2025 onwards, will be mandated to use solar PV cells from ALMM List II (for Solar PV Cells), irrespective of date of commissioning.

In view of above, GUVNL has incorporated the above provisions in Guidelines for DREBP and draft PPA to be signed 01.09.2025 onwards for solar projects under DREBP as enclosed herewith for reference as amended guideline of DREBP.

Further, new clause incorporating applicability of roof top projects for better clarity and provision for common evacuation line and metering have been also incorporated in PPAs and Guidelines. The revised Guidelines and PPAs are enclosed herewith. In the Guidelines and Wind PPA, name of RLMM also has been replaced with ALMM (Wind) as per MNRE OM at ref (5).

All other terms and conditions of the DREBP guidelines and PPA will remain unchanged.

It is kindly requested to instruct concerned officers for further needful please.

Thanking you,
Yours Sincerely

(R J Vala)

General Manager (RE)

GUVNL

ENC : Amended guideline of DREBP with PPAs

CFWCs to:

1. Joint Secretary,
